

## Boys:

Make sure to bring a formal shirt. If you plan on bringing a formal jacket, be sure to bring matching suit pants. T-shirts and hats are not allowed for yearbook photos. If you choose a sitting with more than one outfit, these items can be used for more casual photos. Please make sure facial hair is well groomed, photos look best if clean shaven.

## Girls:

Keep makeup simple, no more than you would wear on an average day. Avoid any shiny or shimmering makeup. Match jewelry to your outfits but be sure to keep it simple. Low-cut tops and tube tops are not allowed for senior photos. Try on your outfits ahead of time to make sure undergarments do not show through your clothes and all straps are covered.

## Important Notes

Please arrive 5 minutes early for your sitting  
We don't want you to lose any camera time!

Arrive ready for your sitting wearing your first outfit. Bring any additional outfits ironed neatly on a hanger.

Don't forget items such as jewelry, clean shoes, hair accessories and makeup for touch-ups.

Make sure you wear flattering clothing that you are comfortable in. Keep patterns to a minimum, solid colors usually look the best.

Most glasses will glare, the safest bet is to ask your eye doctor if you can borrow a similar pair with no lenses. If this is not possible, we will do our best to accommodate you.

Bring in items to personalize your sitting. Instruments, awards, sports equipment & uniforms are a great way to reflect your own personal style.
